Spring 2014

The time has come to clean the rust off your horseshoes and get the kinks worked out of your muscles. It is springtime and time to move outdoors and get some fresh air. Many of the state clubs are ready to start their seasons. See the action that is planned:

Woodward Club: The spring league will start on May 15th and run until early July. Meeting time is 7:00pm every Thursday. The fall league will start some time in August and run into October. It will also meet on Thursdays at 7:00pm. The club will have added money to the tournaments this year, courtesy of the Woodward Convention Center. Come and pitch on the clay. There will be back-to-back tournaments in May and June on Friday evening and Saturday morning, according to schedule. Camping spots are available upon request.

Moore Club: League play will commence on Thursday April 3rd at 6:00pm. The 1st tournament of the year will be on Saturday 19 April. The Club will be having a fundraiser with items available for purchase on that day. There will also be food for sale. You may purchase a Hotdog, Chips and a Soda for \$4.00. If it rains on Saturday the 19th, tournament will be on Sunday the 20th at 1:00pm.

Yukon Club: Tuesday night league play will begin May 6th at 6:30pm. There will be a Summer Mixed Doubles on Friday June 13th in the evening, followed by the Oklahoma Open on Saturday June 14th.

The Yukon Club is working hard to make the 2014 State Singles Tournament a success. As many of you know, the city has redone all of the courts. The Park Department plans to provide the following:

- An air conditioned break room available throughout the tournament.
- Some type of breakfast each morning of the tournament.
- Print all banners and brochures and provide other types of support.

The club has several businesses that will be providing extra sponsorships and they also extend to all the opportunity to participate. There are several levels of sponsorship opportunities.

Contact Ken Ryel, 405-306-8400 or Ron Agnew, 405-426-2079 for further information.

Enid Club: Regular league play will begin Monday, April 7th at 6:30pm and run for 6 weeks.

JC and Charlotte will be running the tournament for individuals with brain injury at the Central Christian Camp in Guthrie on Saturday April 12th . They do need some people to help them because of the number of participants they have. Those of you who have said you would help and others who could, please contact Charlotte, so she may let the camp personnel know you are coming.

The planned kick off meeting for April 12th has been postponed. We are now looking at holding that meeting on April 19th at the Moore tournament.

Beginning in January 2015, the Newline Magazine will become eNewsline and will be sent directly to your email box. The contents of each issue will also be available on the NHPA Website.

I am sure there are other items that should have been addressed in this newsletter. We will attempt to put one out on a regular or as needed basis.

Charlotte always forwards items from the NHPA concerning our sport. Please read your email posts and help folks without computers know about what is happening. We appreciate your help with this.
